'Nihon Kiin Donates \$2M to the Iwamoto North America Foundation for Go'

Today the Chairman of Nihon Kiin, Mr. Wada Norio, announced that a donation of \$2M will be made immediately to serve as the seed fund for the Iwamoto North America Foundation for Go ('INAF').

INAF was founded to support the promotion of Go in North America according to the vision and wishes of the later Japanese Go master, Iwamoto Kaoru. The funds will be used to sponsor an American East Coast Go Center and to support other activities such as teaching programs and cultural exchanges. INAF will seek proposals for these activities. For details, please watch for updates on the official INAF website.

The INAF executive board members are:

Norio Wada, President
Thomas Hsiang, Executive Director
Andy Okun, Director
Masaki Shusuke, Director
David Weimer, Director
Yamashiro Hiroshi, Director
